Did you know?

- PICC has registered over 18,000 new citizens to vote at naturalization ceremonies
- PICC's voter turn out work is incredibly effective. In 2010, 61% of immigrant voters PICC contacted went to the polls, while those we did not reach only voted at 39%. For 2012 help us to reach all of our registered voters!

For the crucial 2012 election, PICC is aiming high by planning to register and turn out more immigrant voters than ever before. Please help us to reach our goal by supporting this important work!
